

PRESS RELEASE

FOR IMMEDIATE RELEASE

Renowned Vending Industry Visionary, Bill Way, Set to Release Groundbreaking Book: "Micro Markets: Profit from the Automated Convenience Store BOOM!"

Fort Collins, CO December 20, 2023 - Discover the fastest growing business opportunity available today! Micro Markets are BOOMING! They are "automated convenience stores" and completely transforming the vending and retail world. Providing fresh, nutritious food and drink choices for businesses across the country. In this book, Bill Way reveals how you can enter the automated convenience store industry and become a successful entrepreneur. You'll learn the elements of a successful Micro Market, how to place, stock, operate, and maintain your own profitable micro market business. Here is the key to creating more profit with less time than you ever imagined possible!

"Micro Markets: Profit from the Automated Convenience Store BOOM!," is poised to be an invaluable resource for individuals aspiring to start their own self-managed business. Drawing on Bill Way's extensive experience in the vending industry and his success with Healthy Smart Mart™, the book offers practical insights, strategic guidance, and expert advice for entrepreneurs looking to capitalize on the automated convenience store revolution.

Bill Way shares his deep insights as one of the true trailblazers of the micro market landscape. Order NOW and you'll only pay \$1 through Christmas Day. Don't delay - tomorrow's success starts today... the Micro Market way!
